2016 Back To School Summer Outreach Plan – Southern Nevada

Goals:

- Connect uninsured and underinsured students with free or low-cost school required immunizations in order to start school on time.
- Offer CDC recommended immunizations to students whenever possible to avoid missed opportunities (Meningococcal and HPV)
- Connect insured students who may have trouble navigating medical system, with free or low-cost immunizations whenever possible.
- Communicate schedule of clinics with students & parents before the end of school year.

2015 Recap:

- 15 Free Clinics Open to the Public
- 5 Private Clinics for targeted populations
- Challenges with not being able to serve insured students at all public events due to lack of funding for private vaccine.
- Challenge with gathering clinic information and not having flyer ready by the end of the school year.

2016 Plan:

- 20 Clinics Open to the Public
- 5 Private Clinics for targeted populations
- Secure funding to be able to serve all students attending clinics regardless of insurance status.
- Send Immunization reminder and VFC location info to students before the end of the school year.
- Distribute calendar flyer starting in June.

2016 Needs:

- $25,000 in funding for private vaccine so all students can be served at all events regardless of insurance status
- $15,000 in funding to cover staffing of clinics (nurses to administer shots, clerk to log vaccines administered, etc.)
- Volunteers:
    - Students to help administer shots at events
    - Volunteers to help with line management/check-in at events
    - Students/Volunteers to help with WebIZ at events
- Immunization Partners: Clinics willing to commit to providing immunizations at events (ordering VFC vaccines, administering at events with support from students if available, documenting immunizations in WebIZ, communicating with patients for next shots in series)
- Outreach Opportunities: Flyer distribution during the summer to remind parents & students to get immunized
    - Table at outreach events
    - Distribute flyers at your events
    - Include flyer/reminder in emails or mailings to constituents
