

DO YOU KNOW A SENIOR IN THE COMMUNITY?

THEN YOU HAVE THE POWER TO SAVE A LIFE.

HELP THE SENIORS IN YOUR LIFE GET VACCINATED AGAINST COVID-19.

The COVID-19 vaccination process can be very confusing. Each county has their own rollout plan with different vaccine locations and sign-up processes and there are scams. *Note that COVID-19 vaccines are free of charge and only available from the county health department or a healthcare provider.* So please help a senior navigate the system and secure their vaccine. Even if it's not yet your turn to get vaccinated, you can help end this pandemic.

START HERE

Reach out to the local seniors you know (relatives, neighbors, parents of your friends who live out of town) and ask if they have a plan to get vaccinated.

NO

1. Visit nvcovidfighter.org or call **2-1-1** for the latest vaccine information in the county where the senior lives.
2. If there is an online sign-up form, walk them through it, or do it on their behalf with their consent.
3. If there is a first-come first-served clinic, ensure they know date/time/location and have transportation.
4. Remind them of their appointment date as it approaches.
5. Make sure they take any required documents (ID, proof of age) to their appointment, as well as supplies for a long wait (medications, snacks, water).
6. Ensure they have transportation to their appointment or offer to take them if you're able.
7. Note the follow-up dose date given by the vaccine provider and if an appointment is required, help them schedule.
8. Ensure they can get to their second appointment.
