

COVID-19

HOW TO GET YOUR VACCINE

Be sure to get your vaccine when you're eligible so you can be protected. If you are unable to do this process online, contact Nevada's Vaccine Helpline, 1.800.401.0946. If you are computer-savvy and know someone who may be challenged by this process, please offer to help them.

STEP 1: FIND A VACCINE LOCATION

- All vaccine locations in your county can be found on nvcovidfighter.org, County-Specific page, or by calling Nevada's Vaccine Helpline, 1.800.401.0946, 8am to 8pm, 7 days a week (Multiple language speakers available).

STEP 2: REGISTER ON WEBSITE

- Once you identify a location, visit that location's website to make your appointment.
- For those 16-17 years old, verify that the location offers the Pfizer vaccine, the only one approved for 16+ (At this time, no vaccines have been approved for those younger than 16).
- You may need to create a user profile and answer questions about your eligibility.

STEP 3: SELECT APPOINTMENT DATE/TIME

- Once registered, search for an available appointment.
 - You may need to try repeatedly at various locations.
- Be patient. With recent increases in vaccine production, there will soon be more supply and open appointments.

STEP 4: PREPARE FOR YOUR APPOINTMENT

- If there are forms, complete prior to appointment or arrive early to complete.
- If you are unable to make your appointment, please cancel.

STEP 5: BRING ID/VERIFICATION

- You will need to show an ID.
- If you qualify for the vaccine because of your job, Bring employment verification. This could be a pay stub or name badge.

STEP 6: SCHEDULE 2ND DOSE (IF APPLICABLE)

- Schedule your 2nd dose if you receive the Pfizer or Moderna vaccine.
- To get a 2nd dose reminder, sign up for VaxText by texting **ENROLL** to **1.833.829.8398**.
- To alert the CDC of any side effects, **sign up at vsafe.cdc.gov**.

STEP 7: GET 2ND DOSE (IF APPLICABLE)

- If you received the Pfizer or Moderna vaccine, be sure to get your 2nd dose on the scheduled date to be fully protected.
- If you receive the Janssen vaccine, you are fully vaccinated after one dose.
