

17TH ANNUAL

NEVADA HEALTH CONFERENCE

Nevada's premier health education event

MAY 8-9, 2023
LAS VEGAS, NEVADA

From our Executive Director

Immunize Nevada is excited to host the 17th annual Nevada Health Conference on May 8-9, 2023, at the Las Vegas Convention Center. Every year, this event brings together healthcare professionals throughout Nevada and the region, offering topics focused on immunizations; chronic disease prevention and health promotion; and maternal, child, and adolescent health.

Last year, we saw over 200 attendees in-person and virtually. With help from generous sponsors like you, we provided 10 scholarships for attendees. With your support, we can provide more scholarships and education programming to the next generation of public health advocates.

The Nevada Health Conference aims to address health disparities and empower public health and healthcare professionals to positively influence their communities with this year's theme:

Crossing the Bridge from Equality to Equity in Healthcare and Public Health

We're excited to make this event possible with generous sponsors like Nevada's Maternal and Child Health Department. Their generous contribution and support from sponsors like you will help us bring an amazing experience to our attendees.

Please consider supporting our efforts with a sponsorship to make the 2023 Nevada Health Conference our best one yet.

Explanation of Sponsor Benefits

Oftentimes we commit to sponsoring an event or meeting but there is little understanding or communication for what the sponsorship includes.

Below is an outline of the different benefits and what each benefit entails:

Logo Placement

Once event planners receive a full color, high-resolution logo in jpeg and/or eps format from the event sponsor, conference planners will place the logo based on sponsor level benefits (i.e. tote bags, lanyards, mobile application, signage, website, etc.).

Conference Recognition

During the general session and lunch program welcome to all attendees, event planners will provide a verbal and digital presentation 'thank you' highlighting top level sponsors.

Free Conference Registration

Both conference sponsor and exhibitor registrations offer full access to all conference happenings including: General sessions, workshops, panel discussions, lunch programs, food & drink, exhibit hall, hotel stay discounts, conference mobile application, and more.

Company Representative Welcome

A company representative will help welcome and introduce keynote speakers during the conference and have the opportunity to talk about their company and why they support NHC.

Promotional Items

Event sponsors can provide up to three (3) types of promotional collateral pieces (printed brochures, water bottles, keychains, etc.) to be placed in attendee welcome bags, on seats, at registration check-in tables, etc.

Signage & Banners

"Thank You Sponsors" signage will be placed throughout the conference area. Additionally event sponsors can provide standup or tablecloth banners.

Website, Eblast, & Social Media Recognition

From the time a company signs on to sponsor NHC, event planners will begin highlighting sponsors via the website, e-newsletters, and social media outlets. This will continue through the end of the conference.

Exhibit Booth Space

With every sponsor level, exhibit booth space is provided. High level sponsors are given premier locations within the exhibit hall area.
