Immunize Nevada Update
April 2017

Committees	Update/Status
General Updates	Show us your #HealthySelfie and join our April challenge. Are you fully immunized and enjoying the health benefits? Win a $100 gift card to Smith's Food and Drug Stores by commenting on our Facebook #HealthySelfie post with your photo and share what you do to stay healthy- now through April 21st. Then join in the celebration of National Infant Immunization Week (NIIW) April 22-29 by checking out our events page: www.facebook.com/pg/ImmunizeNevada/events
Social Media Shout-Out	NIIW posts will focus on five themes throughout the week. Follow us on Facebook starting April 22 to comment, like, and share these posts. You can also follow the hashtag #NIIW across social media platforms like Twitter and Instagram.
Advocacy Committee	Join us and The Children's Advocacy Alliance for "Let's Talk Prevention (and Public health)" town hall as we discuss current issues facing Nevada. Guest speakers will cover public and preventive health topics ranging from community health centers, Title X family planning funds, public health funding, and more. Each speaker will provide an update of what's happening with this issue, what is being done about it, and action steps to help. Schedule permitting, Assemblywoman Amber Joiner will join us to discuss related efforts happening during the current legislative session.
